

Lunch, Recess, and Encore Procedures

Due to our Return to Learn plan, below are descriptions of how aspects of school will change at Maltby.

1. Lunch

- a. Students will eat with their class at the same assigned tables and sit in either the cafeteria or the upper gym. Classroom cohorts will be separated by a considerable distance.
- b. Classes will be walked to the appropriate area and will not overlap with other cohorts.
- c. If a student orders lunch, it will be available at their table for pickup.
- d. There will be no microwaves for heating up a lunch, nor a condiment table (ketchup, mustard, dressings).

2. Recess

- a. Our recess area has been divided into 7 different sections.
- b. Classes will get an equal opportunity to use these different spaces on a 7 day rotating schedule.
- c. When at recess with their class cohort, students may remove their masks but need to adhere to social distancing.

3. Music, Band, Orchestra

- a. Students will attend their musical year long in the Encore classroom. If an instrument is being played or if anyone is singing, those activities will take place outside.

4. Art, World Language

- a. The Art and World Language teacher will be coming to the student's classroom.

5. PE

- a. Students will attend PE class in the gymnasium or outside.
- b. Students will not use the locker room nor change for PE.

6. This is our best first attempt!

- a. As systems and processes begin, we are sure that we will make changes and alter procedures. At this time, this is our process. We have decades of experience facilitating student movement through a building and managing large groups of students, but this situation is new and unique. Every effort will be made to make sure our Bullpups have excellent Encore experiences while maintaining safety.
