

Scranton PTO Meeting 12/3/2021:

Call to order 9:09 am

Approval of November 2021 Minutes: Karen Nicholson to approve. Lin Miller second.

Treasurer's Report: Fundraiser sold 32 items and made \$156. Received Aldi gift card-\$200. \$40 credit from Amazon and Kroger \$116.54. Concessions: \$348, \$161, \$130, \$52. \$350ish profit so far. Lin Miller to approve treasurer's report.

Concessions-need better communication with the leadership. Need to establish who is buying the next round of supplies. Deanne/Christie to set up the supplies for the remaining boys basketball games. Borg/Hiller to put away after the games and keep money in office. Mr. Borg to make sure leadership has kids signed up for last three games and girl's schedule.

Principal's Report: Mr. Borg: National Junior Honor Society to begin. GPA requirement (over 3.5) over 400 kids would qualify between 7-8th grade. They are working on an application process. Mrs. Gus to run. Communication will go out within the next few weeks; starting with 8th grade for this year and will be rolled out for this year's 7th graders next year. Veteran's board is up. Honor Roll will be posted to the website soon for first quarter. Three different levels of honors. Moving to the 4.00 system soon for SPA recognition. Dr. Hiller: Spirit Week the 13th-17th. Door decorating contest; trophies for 1st-3rd place. Have to take something off the door to add to the trophy going forward. Elf presents complete and to go out today. Re: Oxford. No credible threats. Having issues with people re-purposing old FBI posts to tag existing schools. Green Oak Twp is on top of the false threats and they have had a presence at the school. Encouraging kids not to spread/share the media posts. Anxiety is high and is normal after this type of incident. But we need to continue communicating and do what we can to make them feel safe. System is in place and principals are confident that they would be prepared.

Old Business: Staff Appreciation went well. We will be putting together another luncheon for after the holiday. We have enough Panera Gift Cards for another breakfast. Additional potential luncheon-Gus's-maybe have a paypal link for donations.

New Business: Food Drive 12/6-12/17. Christie to get flyer for newsletter. Boxes to be placed outside the office and sharing online link. Organizing the truck to pickup on the 14th. Take rest as it comes in. December 11th is triple day at Meijer. Every other day in December they will double it. Set a goal, possible sucker or popsicle reward at lunch. 1,000 pound goal; every dollar counts as 2 lbs.? Check or online donation? How to assign to Scranton.

Holiday Treat for all: get something from Costco? Total Cluster? Mr. Borg to see if he has the google form from last year for treats for staff.

Meeting adjourned 10:07am.
